Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

1 — 2 — 3 — 4 — 5 — (6) — 7

B. Please describe how you see the program benefiting you.

It has given me a much better insight of the DDA

C. Given your present assignment, what segment of the program did you find least useful?

I cannot say that any one segment fits in that category. In my position, I do not deal closely with any of these Offices. Therefore, they were all of equal benefit.

D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes because I was able to ask questions which were of interest to me personally, that I may have never had a chance to do otherwise

E. We welcome your suggestions for improving this course:

This is the only training course which I have attended with the Agency. In my opinion all the requirements for a good course were met. There were times I felt I had wished the speakers had more time as they were exceptionally interesting.
